NEAR VICTIM OF EVICTION

"Who will give me a home?" appears to be silent prayer of 14-month-old Patricia Chichak as she sits among ruins of front part of her home, 10777 95 street, which demolition workmen created. Ordered to vacate for a new landlord, her parents have been unable to find a place for Patricia and her three young sisters and a brother to live because of alleged aversion of Edmonton landlords to tenants with young children.

Family Fights Eviction As Home Is Demolished

Lake Geneva At Crying Level

ROSELLE, Switzerland, April 6.—(AP)—The level of Lake Geneva has fallen as low as a stone in the lake bed has been uncovered, bearing the following inscription: "Woe you see me cry."

Old Swiss residents say the sign refers to hard times endured during dry spells. The stone hasn't been seen since 1921.

Prime Minister Meets Citizens Here Monday

Prime Minister Louis St. Laurent will meet Edmonton's citizens at a public reception at 3 p.m. on Monday.

At 8:15 p.m. the same day he will address a public meeting at the sales pavilion in the Edmonton Exhibition Grounds.

The prime minister's first official act will be a meeting with the staff and students of the University at 11 a.m.

It is expected he will meet with Edmonton newspaper men for a press conference before he leaves for the camp.

At noon he will speak at a luncheon meeting of the Kiwanis, the Canadian Club and the Edmonton Chamber of Commerce at the McLeod hotel.

At the same time as the noon luncheon meeting the Edmonton 20th Century Club and the Edmonton Women's Liberal Association will entertain in honor of Mr. St. Laurent and her daughter.

HUMANS ATTACKED BY TRUMPETER SWAN

GRANDE PRAIRIE, April 6.—(BUP)—Residents here reported today that a trumpeter swan has attacked cars, horses and several people since the death of its mate.

The two swans were reported to have spent two winters on a farm near here, and were completely domesticated. One of them was recently killed by a vehicle.

Police may be asked to kill the bird although swans are protected under wild life regulations, local residents said.

Gas Firm Begins Soon On Program

\$2½ Million Work Plan for Summer Starts in 2 Weeks

Northwestern Utilities Ltd., will start work on its 1949 \$2,500,000 expansion program within the next two weeks.

The program includes installation of 14 miles of gathering lines in the Viking-Kinsella fields, and drilling of five additional wells. Work on these projects will start May 1.

When completed the company will have 27 producing wells in the field with an open flow capacity of 70 million cubic feet daily. Work in installation of approximately 4,000 service lines in Edmonton and other centres on the company's service lines.

Total of 2,300 of these service lines will be installed in Edmonton. The balance will be installed in Red Deer, Camrose, Ponoka, Lacombe, Wainwright and other towns on the company's service lines.

Approximately 117 miles of 14 inch transmission line will be laid to complete the third transmission line to Edmonton from the Viking-Kinsella field.

PIPE ARRIVING
Shipment of the 40-inches of pipe ordered last year from British Columbia has arrived at Vancouver. This pipe will be utilized in the construction of the third transmission line, construction of which will start about May 1.

Warehouse and shop, construction of which started last year, are nearing completion and will be ready for occupancy by mid-summer. The structure will cost approximately \$200,000 and is located at 106 avenue and 112 street.

Goodyear To Build in City

Goodyear Tire and Rubber Co. of Canada will erect a \$255,000 warehouse and office building at corner of the 108 street and 106 avenue intersection.

Work on the project will start in May. It will be for approximately 100,000 sq. ft.

The structure will be 108 and 108 feet, and will be of brick and reinforced concrete with full basement.

Schoep Zone Now 565 Feet

Imperial Schoep No. 1 has reported another successful drill test, adding 20 feet more to its proven depth.

Pay zone of the well is now 565 feet thick.

Latest interval tested, from 560 to 582 feet, gave a faint gas show, a recovery of 189 feet of oil. No water showed in the well.

The gas flow and oil recovery were considerably less than in other recent tests.

High forecast for recovery is about 45, with clear skies and light winds. Skies will be cloudy and weather will be unsettled.

Cloudy skies and little change in temperature is forecast for tomorrow with a high of 53.

Low tonight will be 32. Maximum yesterday at 10 a.m. was 20 compared to a high of 17 the day before.

Alberta and Saskatchewan will get today and tomorrow with light winds.

RABBIT BORES EASILY; HURTS EXPERIMENTS

PHILADELPHIA, April 6.—(AP)—Dr. Roy G. Williams of the University of Pennsylvania warns his brown rabbit would stop snoring in the middle of cancer experiments.

Williams said today that for the last year he has been observing cells in the ears of a big brown bunny with the aid of a microscope.

"The rabbit has become as used to the routine now that as soon as the microscope is moved into position he does off and starts to snore, throwing the professor's instruments out of adjustment."

It is just some, Williams said, that rabbits are easily bored.

Oil Worker Meets Death

Felise Henry "Fred" Bostman, 22-year-old driller's helper, was killed instantly yesterday when a truck under which he was working slipped from jacks to the ground at 10777 95 street.

Employed by the Holland Exploration Company, Bostman, of 2643 50 avenue, was installing a new front axle on a two-ton company truck.

DISCOVERED BY HELPER
Assisting Bostman was Sandy Skorek, 21, of 1102 30 street, who first discovered the accident.

Skorek said the job was almost completed at 2:30 p.m. when he left the truck to obtain some extra tools.

When he returned a few minutes later, he said, "the truck had fallen off the jacks and support and had crushed Bostman who was working underneath the front wheels."

Taken to the Royal Alexandra hospital by Smith's Ambulance, Bostman was found to have a "crushed skull causing immediate death."

Possibility that yesterday's high winds caused the truck to slip from its supports was expressed by the police.

Bostman's body was taken to Campbell-McKinnery funeral home pending arrival of his parents, Mr. and Mrs. A. Bostman of Villers, Que.

Dr. M. C. Cantor, provincial chief coroner, announced a preliminary inquest into the death will be held today at 3 p.m. in the funeral home.

U.S. Ignores Russ Protest

WASHINGTON, April 6.—(AP)—The United States will officially ignore Russia's formal protest against the closing of the Soviet Consulate in New York.

In a statement, the state department said today that "the Soviet government's interpretation of the objectives and provisions of the pact is incorrect."

It added that "in view of the many published statements which have been made by the subject it is not believed that any further statement is necessary."

Trial Held Behind Closed Doors

Francis I. Biale of Edmonton went on trial today before Mr. Justice S. J. Sheppard on three charges of indecent assault.

The trial is being held behind closed doors, following application by W. J. Shortt, Crown prosecutor, that the public be excluded.

Shortt said "three charges against Biale were laid by the Crown. Agreed to by the accused, and overruled objection by Neil D. Macdonald, K.C., counsel for the accused."

The hearing is proceeding.

PRAVDA AT IT AGAIN Churchill Claimed Using U.S. to Strangle Russia

MOSCOW, April 6.—(BUP)—The official newspaper Pravda today accused Winston Churchill of wanting to "strangle the Soviet Union with American money."

It bitterly attacked Britain's war-time prime minister in an article written by David Zaslavsky. He particularly denounced Churchill's recent speech in Boston.

Mother, 2 Tots Burn To Death

Flash Fire Razes Cottage Home At Three Hills

THREE HILLS, April 6.—(CP)—A mother and her two young children were burned to death today in a fire that swept their tiny three-room cottage in this municipality some 160 miles northwest of Edmonton.

Dead are Mrs. Orin Davis, 26, Bobby, three, Barbara, one year.

Mr. Davis, an employee of the municipal district of Three Hills, was absent at the time of the fire. Within a short time after the outbreak of the blaze, his interior of the home was a mass of flames and volunteer firemen were unable to enter the dwelling.

CAUSE UNKNOWN
The fire was finally mastered in about half an hour and the bodies of the three victims were found in the bedroom. Mrs. Davis and Bobby were still alive when firemen carried them out, but they died within a few minutes.

Causes of the fire is not yet known.

There was no indication of blast damage and firemen discounted the possibility of an explosion.

Besides her husband, and her mother, Mrs. Davis was married by a Justice of the Peace, William Webb and Jean of Three Hills, and Anna, wife of Penhold.

Hospital Fire Toll Now 80

EDMONTON, April 6.—(AP)—The death toll in the United States' second most tragic hospital fire mounted to an estimated 80 today.

Forefathers of the victims of the fire which destroyed St. Anthony's hospital early Tuesday have been identified. Thirteen were newborn babies.

As officials attempted to determine the cause of the blaze, workers started the grim work of searching the ruins for bodies of 34 still reported missing.

Among the survivors was Sister Cecily, 32, daughter of Mr. and Mrs. J. J. O'Connell. She entered the hospital Sisters of St. Francis in 1941 and was stationed as a pharmacist at St. Anthony's hospital upon completing her training.

The number of dead in the terrifying midnight fire had been estimated yesterday at 65 by the hospital registrar, Miss Helen Wiseman.

However, 15 additional bodies which had been removed to hospitals and undertaking establishments in New Brunswick after the blaze, were identified early today.

Tax Cuts Denied; Food Prices Raised

LONDON, April 6.—(CP)—Sir Stafford Cripps, chairman of the exchequer, today sentenced the British tax payers to another 12 months of hard labor.

He presented the House of Commons with a 1949-50 budget denying any substantial tax cuts and raising the basic prices of some kinds of overvalued food.

TRADE UNIONS DEFIED
He defied the powerful Trades Union Congress, one of the Labor government's principal supporters, by declining to lower the country's stiff purchase taxes. These range from 33 1/3 per cent to 100 per cent on a vast number of things sold at retail.

But Sir Stafford, whose personal motto is "I am convinced," helped the little man by cutting one penny (2.3 cents) a pint from the tax on beer.

He also lowered duties on imported wines by two shillings (40 cents) a bottle.

Sir Stafford estimated his new budget will bring in a net surplus of £1,400,000. The surplus in the 1948-49 budget stood at £1,353,000.

CUT IN SUBSIDIES
Explaining his financial proposal for the next 12 months, the chancellor said he proposed to reduce the amount of money paid by the Treasury in subsidies to hold down the price of rationed goods.

As a result, he said, the price of beef will go up fourpence (about six cents) a pound, meat will go up the same amount, butter will go up one penny (about two cents), and margarine one penny (about two cents).

He said the import duty on sugar will drop by sixpence (about 1 1/2 pence) and it won't help the housewife.

The cuts would be applied to reduce subsidies on these commodities.

INDUSTRIALISTS AIDED
He gave in to industrialists' plan for a rise in the tax-free allowance for the 12 months, plus drawings on Canadian credit and other available resources, had been just enough to cover the deficit.

At the end of last month, reserves stood at £1,000,000, compared with £1,500,000 at the beginning of the Marshall plan.

\$1 Million Contract Let for Jasper Roads

Politics

Election year is a time for surprises to members of Congress. Everybody seems to be solidifying. Hon. C. C. Power, former air minister, was all set with documents galore to defend a proposed bill to limit political expenditures. The house took the wind out of "Chubby" political sails by rejecting the bill through fire and sword without one question. The bill calls for disclosure of political party campaign expenses.

CCF party's Stanley Knowles made trade union dues allowed for income tax deductions. The Winnipeg North Centre member said the dues were in the nature of a business expense. Revenue Minister Martin said it was a matter of policy, which would be announced if a change is made.

Nobody mentioned election bribes or bribery. "Teacher-pets" but cabinet ministers all had new red apples from the Ontario Valley on their desks when meeting business executives. O. L. Welfare Probe Wins E Praise

Regent Suggests Commission Followed Whittton Report

CALGARY, April 6.—(CP)—Mrs. P. P. Griffiths, regent of the Imperial Order, Daughters of the Empire, said last night a Royal Commission on child welfare in the province "has been so gratifying there is a real danger the general public, and our own members, may regard it as an end achieved."

Mrs. Griffiths was speaking at opening ceremonies last night of the 1948-49 session of the division of the IODE. The report, made public several months ago, was compiled by three Alberta judges appointed by the provincial government to investigate Alberta child welfare.

The investigation followed a long delay on national health insurance in the commonsense yesterday ended inconclusively in a standard pattern of the session—the rehashing of the record of the Dominion provincial conferences.

Government and Progressive Conservative supporters worked in a struggle over health proposals of the 1948-49 session after several hours of debate touched off by demand by CCF leader M. J. Coldwell for a pre-election statement on any government health insurance plan.

Health Minister Martin told the debate to say that the health plan now being paid the provinces are "fundamental preconditions" to establishing national health insurance, but he announced no new policy.

The minister said the dominion still adhered to its policy of 1945 when it proposed grants for health planning and organization in the provinces provided that they adopted compulsory health insurance.

George Drew, Progressive Conservative leader, followed the minister with a call for the reconvening of the health and welfare committees of the Dominion-provincial conference with a view to gathering facts for establishment of a national health plan.

ONLY A BEGINNING
The report, she said, is only the beginning. Members still have a task before them to mobilize action along the lines of the Royal Commission recommendations on the one hand and on the other, action for the right of citizenship.

There was the need to care for the aged, infirm and those in want of other welfare needs which the IODE report covered.

In closing she said: "We, the Imperial Order Daughters of the Empire, have a great field for worthwhile service, and this is always will be the need for more right thinking women in our chapters, whose concern is home and family life, the assurance of order, health and welfare services, the administration of justice and state and the right of each to worship God as he will."

Family Fights Eviction Here

(Continued from Page 1)

Rest Control Board, as well as legal counsel the Chichak retained, went into a huddle to see what could be done about it.

The Rest Control Board had no jurisdiction because the Chichaks refused to move, and in fact, it was, and had received the necessary one-month notice.

Police and civil authorities managed to get the storm-worked over from the building inspector's office.

Frank Drayton, head of the city's rest department, said that only the sheriff with a court order could force them to move, and in fact, it was, and had received the necessary one-month notice.

BATTLE OF MOFFATT'S GATE
Woman Routs Truckers And Defies Government

ST. CATHARINES, Ont., April 6.—(CP)—The "battle of Moffatt's Gate" continued today with Mrs. William Moffatt winning the round. She routed two Ontario department of highways trucks by daring them to back up over her if they wanted to unload and in her driveway.

It's been a 12-month struggle between the department and the Moffatts, whose home is on the west side of the Moffatt driveway, drove away today before the battle.

Issue of the "battle" is whether William Moffatt, who lives at the intersection of the highway and a side road, shall have access to his property via the highway. Because the highway is a controlled-entry road, the province denies his right to enter or leave except by the side road.

In last June a year, the highway department has strung up fences around the Moffatt driveway, blocked it by guard rails and unloaded and to prevent truck traffic. But each time, Moffatt has cut down the fences, removed the rails and moved the

A month ago highway department employees, wearing under orders, dumped seven loads of sand in the drive and put the fence up again. Laboriously, she worked it away, finishing the job Saturday.

Restaurant Men Seek Work Week Retention

CALGARY, April 6.—(CP)—J. H. Kiewer, Calgary district president of the Canadian Restaurant Association, yesterday suggested to the board of industrial relations, in session here, that hours at present worked by employees in restaurants be maintained at 48 hours a week.

Mr. Kiewer said restaurants were unable to get anywhere near the experienced help they would like if hours were reduced, they would require more employees.

Another reason there might be some representations for increase in salary and the association felt that the present minimum wage was high enough as it was.

Mr. Kiewer also suggested in the association's brief that there should be legislation made for employees to work an average of 48 1/2 hours a week. They should be a qualifying period of six months before employees would be entitled to holiday pay.

F. Crosby, Dean Lodge, Lake Louise, said hotel lobbies did nothing for the hotel itself but were a drain on the hotel's income in tip of tips. He suggested a system similar to that in the United States where hotel lobbies are not hotel employees.

Board chairman K. A. Pugh said there was minimum wage and hours of work legislation. The rest was up to the public.

AT HOSPITAL
Family's 3rd Set of Twins Die in Fire

EFFINGHAM, Ill., April 6.—(AP)—A third set of twins born to a family, Ill., couple perished in the flaming nursery of St. Anthony's hospital yesterday.

The hospital pharmacist, Sister Cecily, said the twins, born to Mr. and Mrs. Russell Sigurdson, were among the infants who were burned to death in the blazing hospital.

The Sigurdsons have married 10 years and the twins were the eleventh and twelfth children. Two others died at birth.

Sister Cecily, 32, is the daughter of Mr. and Mrs. Charles Johnson of Regina, Sask.

Wolf War Is Looming In Alberta

Alberta will soon be mobilizing all its forces for an all-out war on wolves.

Campaign plans are to be discussed Friday afternoon at a meeting in the committee rooms of the legislative building with government officials, job and game society representatives, and agricultural delegates.

At the meeting the government is expected to report on its efforts to far to curb activities of wolves and to ask suggestions as to the best method to carry on the struggle.

Wolves have been making incursions into livestock herds along the foothills and have played havoc with the big game population of the province.

DOT Employees Hold Bridge

Employees of the Department of Transport held their first annual departmental bridge tournament in the Buffalo ball Monday night.

Winning pairs were O. R. Ford and Ray Vukobratovic with 534 points, with Earl Walker and Emily Ireliev in second place with 495 points. Lionel Pettigrew and Arnold Ward followed in third place with 451 points.

Guests were Al Jackson and Bill Guller.

Early Spring May See 'Hopper-Fest'

Edmonton District Not Expected To Be Struck

An early hatch of grasshoppers in Alberta may be expected this year, if there is a warm dry spring.

William Lohy, crop protection supervisor for the Alberta government said serious infestation from the hoppers could be expected near Medicine Hat and Medicine Hat in the Provost area, and a less serious attack near the Peace River.

He said a cool "wet spring would delay hatching, but from present indications he thought the early hoppers would appear around the first week in May.

The government is setting up baiting stations and convening district controllers in all areas in which serious infestation is seen as possible.

McNaughton Wins Welfare Post

Constantine R. McNaughton, who recently campaigned for a junior police force for Edmonton, has been appointed to the city welfare department. Chief Reg. McNaughton will work under superintendent Frank Draxton of the city welfare department and his main duties will be investigating and reporting on the needs of the poor.

The appointment is effective immediately and will be for a six-month period.

E. B. Wilson Heads Grits

E. B. Wilson was named as president of the Edmonton Liberal Association at the annual meeting of the group held in the IOOF hall last night.

Vice-president for the coming year will be P. J. Lazarowich. Miss Mary Scullion and Mrs. Paul Regan were re-elected secretary and treasurer respectively.

Mr. Wilson succeeds C. H. Grant as the presidential chair.

Vice-presidents, secretaries and committee executives were also elected for each section of the city.

Frank MacDonald is vice-president for West Edmonton. Alex Dubensky will act as secretary for the north section of the city.

South Side executive will be Lionel Dineen, president and P. A. Skewes, secretary, while J. A. Marshall and Mrs. A. E. Rowell will occupy the same posts for the east end.

Bridal Pageant Brings Back Long, Long Ago

FROM BUSTLES and bows to New Look will be colorful story told in Bridal Pageant at Norwood United Church Friday night. Scene from last night's full-dress rehearsal depicts: seated, Mrs. E. P. Wellwood wearing own bridal dress of 1910. Standing, from left, Mrs. Vivian Phillips in a bridal gown popular from 1855 to 1890; Mrs. Ruth Harder, 1902 model and Mrs. Lois-Jane Wright in another 1902 creation. Lois Ellen Dean is flower girl.

BRIDAL PAGEANT goes along a romantic trail of costume and frocks to an exciting Paris creation of 1859, modelled by Mrs. J. W. McTaggart of 11539 95A street (left), and a wedding gown of 1906, modelled by Miss Alice Shynkie, 12441 95A street. Some of the gowns have been brought from as far as Winnipeg for the pageant. For example, Mrs. Irene Wangness of 11239 96 street is modeling a tan taffeta wedding gown of 1859.

WITH THE ORCHESTRA playing Hearts and Flowers this enchanting scene would make even the most modern long for the good old days. Seated are Mrs. E. E. Arledge (left) in her wedding gown of 1933 and Mrs. Joan Barnett with a 1945 creation. Standing, from left, Mrs. Dorothy Reed, 1947 bridesmaid outfit; Mrs. C. B. Thompson in her wedding dress of 1948 and Miss Ruth Thompson, her bridesmaid. Lorene Park, six (left), and Cheryl-Ann Watson, four, are two flower girls.

CN MAGAZINE PAYS TRIBUTE TO NFLD.

Stories and articles about Canada's newest province are featured in the April issue of the Canadian National magazine, just released here.

In addition, the magazine is distributing two specially prepared booklets, its staff is outlining services and facilities of the railway in Canada which will be distributed to Newfoundland railway, steamship, dockyard and postal telegraphs, and the other explaining transportation facilities available in Newfoundland which will be sent to officers and employees in Canada.

Feature of the Canadian National magazine issue is a message from CN president, R. C. Vaughan, CMG, to railway employees.

His message asks particular consideration of the 4,000 new members of the "transportation family" who have been united with railway workers in other parts of Canada as a result of the union.

CITY TEACHER WILL LEAVE FOR INDIA

Off to southern India to teach Canadian and American children is 32-year-old Emma N. Horton.

Now teaching Grade One children at Highlands elementary school, the Edmonton-born woman was last night granted leave of absence by School Board trustees.

"I don't know yet when I shall be leaving," she said this morning. "I shall be working for a group of missionaries at Ootacamund, a small town in the hilly regions of Madras."

Miss Horton has always had a yen for travelling. Last year she was at Beckenham, Kent, in England teaching under the exchange scheme. She thinks she may be in India for about a year.

Alberta Students Have Good Record

Alberta's school students don't miss much school—at least not in comparison to students from other provinces.

When they do, it is usually as a result of a common cold, according to a survey conducted in the province by Dr. A. J. Phillips, director of research for the national committee for school health research.

Results of the survey were announced today by Dr. W. H. Swift, deputy minister of education.

Dr. Phillips left Edmonton yesterday for the Pacific coast where he will make a similar survey.

Reports made by Dr. Phillips indicated school attendance was maintained better in this province than in others.

Crime Comic Outlawing To Be Sought

Resolution asking an amendment to the Criminal Code to outlaw crime comics will be considered by delegates attending the 13th annual convention of Alberta and Saskatchewan Crime and Sociological Societies at 9:30 next week.

Resolution is one of 18 dealing with education, health and welfare of children which will be considered by delegates.

Others will seek the encouragement of writers of children's stories by cash rewards, or scholarships, the adoption of a more uniform system of education throughout Canada in academic subjects, extension of family allowances to children under 18 who are attending school.

Farm Loans Here Total \$620,000

Alberta farmers borrowed \$620,000 from the Canadian Farm Loan Board last year, about one third of which was used to purchase land.

The announcement was made today by A. H. Bunn, Edmonton manager of the board.

Increase in farm loans was about 10 per cent over last year's volume of borrowing, Mr. Bunn said. Of the 336 Alberta farmers who obtained money last year, 244 borrowed for mortgages and 92 second mortgages.

With a steady increase of interest rates, the war, a larger amount of money is now being borrowed to purchase land rather than to pay debts, Mr. Bunn said.

A. E. ROBERGE, Sec. Gen. E. FOSTER, Secretary.

Inspectors found filthy crew quarters infested with rats and vermin.

Seed Cleaning Plant Agreement Is Okayed

WESTLOCK, April 6.—At a meeting of the Agricultural Service Board last Friday, arrangements were completed for a draft agreement between the board and the Central Seed Growers Association with regard to building of the seed cleaning plant in Westlock.

Messrs. E. Nicol and J. Caswell were named delegates to the board conference in Edmonton, April 7 and 8.

It was arranged that 24-12 entered through the municipal district association this year.

A committee was named to contact possible weed inspectors for the year.

Traffic on wheat shipments coming into the district showed satisfactory business, said a report of the seed inspectors and exchanges of wheat shipments were made with the cooperation of the shipper.

DISTRICT NEWS IN BRIEF

Citizens Eulogize Retiring Agent

POUCE COUPE, April 6.—Presentation of an inscribed silver tray from the citizens of Pouce Coupe and district highlighted the retirement ceremonies of Martin Stephens Morrell in the court house. Mr. Morrell has been government agent for the Peace River block for nearly 20 years.

Free action on behalf of the citizens was made by Thomas Jamieson, longtime resident of the district and president of the Board of Trade, others on the presentation committee were Roy St. Dennis, chairman of the village committee, and P. A. Dawes, president of the Pouce Coupe branch of the Canadian Legion.

In making the presentation before a packed court room, Mr. Jamieson expressed the admiration of the citizens of Pouce Coupe for the government agent.

LIFE MEMBERSHIP other presentations included a life membership card in the B.C. Provincial Farmers Association made by the local president, Mr. Barford, an engraved silver tray from the Peace River Rat Association made by the senior barrister, R. R. Kier of Dawson Creek, an arm chair, stool, Truitt and folding rug from the government office employees, made by L. Harper, and a bouquet of flowers presented by Mrs. Morrell by the government office staff and the local citizens.

Others taking part in the ceremonies were W. K. Workman, district engineer, T. S. Crack, district agricultural inspector of Police Dunlop and G. E. Branson of Dawson Creek.

NEW AGENT TAKES OVER Mr. Morrell made a suitable reply to all the presentations and introduced the new government agent, and his wife, Mr. and Mrs. Oliver Callahan. Mr. Morrell's resignation became effective at the end of the month.

Mr. Callahan has been employed at the Pouce Coupe and Fort St. John government agencies for nearly 17 years, and Mrs. Callahan has been a home economist at the Pouce Coupe government office under Mr. Morrell. Following the luncheon lunch was served by the government office staff.

Wetaskiwin Will Again Sponsor Junior Hockey

WETASKIWIN, April 6.—Wetaskiwin will again be in junior hockey in the 1948-49 season. It was decided at a meeting of the hockey club held here. Seven players of the 1948-49 Canadians are available for next season and with those as a nucleus the club anticipates being a first class team.

Herb Shirewa was elected president of the club, Len Roberts treasurer and Harry Van Dyke, secretary. The executive committee comprised Jim Paton, Joe Abouloff, Howard Breen, Orie Williamson, Stand Heynolds and Gus Drager.

Seismic Crew Leaves Westlock

WESTLOCK, April 6.—More than 25 members of the Gulf Oil Exploration crew were hurriedly transferred from Westlock this week, to take up duties at Drumheller.

Orders for the transfer, from head office, arrived in time to give the crews 24 hours notice and the last of the workers left the town Tuesday morning.

The office here was closed, but the Gulf men indicated they expected to be transferred back to this area again this fall, when cold weather will permit resumption of their work in the northern sections where muskeg abounds.

Father and Son Banquet Held

VERMILION, April 6.—Vernilion Lodge A.F. & M. had a father and son banquet on Wednesday evening. Just over 100 plates were set.

The ladies of Queen Esther Chapter, Order Eastern Star, entered for the occasion. They provided a most delicious meal.

The managing committee was W. Crab, Dr. A. B. King and C. Brennan.

Library At Sexsmith Receives \$390 Grant

SEXSMITH, April 6.—A grant of \$390 was recently received by the Sexsmith Public Library from the provincial government, which matches local library expenditures dollar for dollar up to \$500 per year. The grant must be expended within six months on books and magazines.

About 1,200 books are being circulated to members in 1948. The library is presently housed in the cloak room of the Legion Memorial Centre, but new permanent quarters are being sought.

The library was first organized in 1940 by the young people's club and has moved to new quarters at least five times in the interval. It became the Sexsmith Public Library in 1947. The board includes representatives from the Public Institute and B.O.P. Eke.

The library netted a profit of \$60 from the telephone whist drive. Twenty-eight tables were played at the Brown, Leaver, McQuinn, McCrum and Boyd homes.

Anglican Guild To Finish Pews

MILLSET, April 6.—Anglican Guild met for their March meeting at the home of Mrs. V. M. Gardner, with seven members present.

Due to the absence of Mrs. Ross, Mrs. Hoskins was in the chair. Arrangements were made to welcome new members. The pews are to be finished and varnished and to have book racks. After the meeting, lunch was served by the hostess. The April meeting will be at the home of Mrs. P. G. Griffin.

Parks Official Speaks at Odds

OLDS, April 6.—Alex Munn, park superintendent of Calgary, addressed the local Home and School Association in the school auditorium last Monday night. He discussed beautification of homes and the importance of the park in the life of the citizen.

The H. & S. A. also made arrangements for the provincial convention, which is to be held in Olds at the O.S.A. in April.

Accessory Perfect Little Bags at \$5

By Lisa Thrifty

Saucy charm of a gayly striped bag adds that little bit of interest in accessorizing a monotone costume. And in this case a large bag.

Today I spotted perfect "little bags" in corded material fitted with matching compact and lipstick... and the works for \$5.

Assorted colors, red, navy blue, Kelly green, and the gay candy striped with various shades of green.

They're flat envelope style, or some have straps, some are plums and "clutch-in-the-hand" and others are square.

Which ever these you choose, you choose a time bargain and a pretty bag.

Coatop lovelies are selling like hotcakes... as the time-bag, clutch bag.

Here's the reason: The very best of these bags are selling for the "like will have ten per cent more" price of the finished bag.

Just now we're buying these bags at a special price of the 30 per cent manufacturer's price.

WHY GROW OLD

Streamlining Aids For Beauty Popular

By Josephine Lowman

While life is becoming more complex in some ways it is becoming more simple in others. In order to stand the strain of hurried modern life we really should take advantage of the many aids we can enjoy. Today everything from figures to toothbrushes is streamlined.

YOUR BABY AND MINE

Plastic Baby Bottle Latest Feeding Idea

By Myrtle Meyer Edited

Within the last few years a new type of nursing bottle with a screw top appeared on the market and has become justly popular. Now there is about to be distributed a completely new item for managing this baby feeding and it is a marked departure from every bottle that has ever been made before.

One new thing it is made of plastic, instead of glass, and its most characteristic difference is that it is impossible to break.

It does not come in bottle form but in flat sheets. The sheets are used as cut from the sheet with scissors, sliced and used and then discarded. The plastic sheets are thoroughly sterilized so the mother has only to prepare the formula, fill the bottle, store it as usual, and use it. No boiling to wash, to sterilize, or to break.

The advantages claimed by the manufacturer who organized this bottle is that it dispenses, as nearly as an artificial object can, the warmth and softness of the human breast. It is light and easy for the baby to grasp, and is time to hold.

It is easy to carry when traveling and makes it unnecessary to give baby bottles either when out or in.

The bottle collapses as the baby sucks and there is no air in the bottle for the baby to swallow. Another advantage of this new method of feeding is that the baby's nipple cannot collapse. No sucking is necessary. The baby's mouth is kept full of milk from the breast.

Members, who tested this bottle before it was released for general sale, have found that their babies took more formula from these than from ordinary bottles. They were easier to feed, and therefore made a better job.

Sensation Sprung At Sam Carr Trial

American Witness Gives Surprising Testimony

OTTAWA, April 6.—(CP)—The Crown produced a sensational surprise witness in the Sam Carr case today—an American named M. M. Krieger who testified a man named Iwanicki assigned him in 1940 to go to Japan to do conspiratorial work for Russia.

The Crown alleges that Iwanicki was a Russian agent for whom Krieger obtained a false Canadian passport in 1940.

UNIVERSITY STUDENTS
Krieger, an optometrist from Los Angeles, said he had met Iwanicki in 1938 when they were both students at the University of Southern California.

He said Iwanicki had sworn Krieger and his wife to an oath of loyalty to Russia before they took a boat. However, the couple never reached Japan because of the American-Japanese tension.

Krieger testified Iwanicki later asked him to go to South America as a Russian courier and had also asked him to allow Iwanicki to set him up in an optometry office "as a front."

Krieger said Iwanicki described himself as a Canadian citizen. He also said Iwanicki was a brilliant student with a Master's and doctor's degree.

Krieger was called as a witness during the appearance of Igor Gouzenko who contended Sam Carr was a Russian agent in 1945 in contact with an agent who was asked to get information on submarines and their detection.

City Man Wins Chance To Talk With Radio Star

An Edmonton man, Ernest E. Whitley, 322 104th avenue, will talk to radio star Hildegard.

Whitley will have a free trip to Montreal for a prize-winning letter in the Sweet Capitol cigarette contest, "Talking To The Stars," heard in Edmonton on Sunday through radio station CFRN.

Mr. Whitley, who is now working in Whitehorse, has been notified of his good fortune and will leave for Montreal on April 6, returning home April 13.

His talk with Hildegard will be recorded by a telephone arrangement.

Wetaskiwin Will Hold Donor Clinic

Canadian Red Cross mobile unit will conduct a blood donor clinic in Wetaskiwin this week.

The clinic will be held on Thursday in the Legion Hall from 1:30 p.m. to 8 p.m. and in the evening from 8 p.m. to 10 p.m.

Special appeal is being made by members of Wetaskiwin Red Cross to those living in town and district to attend the clinic as regular donors may not be able to attend if country roads are impassable.

Mobile blood donor clinic held last week at Lacombe was very successful. Red Cross officials announced.

Students of Canadian Union College near Lacombe gave 128 blood donations, and 300 persons attended the clinic at Lacombe. Blood donors due to a shortage of equipment only 200 were able to donate.

Passover Plans Are Announced

Jaycees Form New Branch

New Junior Chamber of Commerce unit recently formed at Lloydminster is headed by Max MacKay, president.

Officers elected to the membership of 35, will formally adopt a constitution and prescribe dates for the annual general elections shortly.

Meanwhile, executive members J. Rogers, R. McNair, Ed. Gervin and Henry Bailey were elected to lead the unit.

Students Hold Big Festival

More than 200 students of northeast Edmonton schools participated in a two-day festival at Eastwood school yesterday.

About 300 parents and friends attended the variety show sponsored by teachers and intermediaries from Eastwood, Highlands, Cromdale, North Edmonton and St. Mary schools.

Attractive art displays from Eastwood, Highlands and North Edmonton were arranged as a feature of the festival, and orchestral and musical selections were presented by grade seven students of Eastwood and Highlands schools.

Grade eight pupils from Highlands and the grade eight and grade nine orchestras from Eastwood school presented several numbers.

Colorful folk dancing was a feature presentation by Eastwood, Highlands and Highlands classes. Musical and choral speech numbers by Eastwood grade eight and grade nine girls added variety to the program.

The festival concluded with a play "Not Quite Such a Goose," produced by grade eight students of H. A. Gray school.

MEADAM, N.B., April 6.—(BUP)—Fifty members of rival seamen's unions staged a brief but furious battle with baseball bats, black jacks and fists at the 3000 Highway hotel yesterday, Royal Canadian Mounted Police reported.

Fifty men, believed to be members of the Canadian Seamen's union, were arrested after the battle and were being questioned by police.

INVADED ROOMS
A witness reports said 30 members of the Seafarers' International union were staying in the hotel when a truck and car loaded with striking members of the CSU pulled up and the men, armed with blackjacks and baseball bats, invaded the hotel rooms systematically and beat the occupants.

Later in Halifax, two ship's officers were admitted to hospital after being attacked by an unidentified man.

It is believed about 20 seamen boarded the freighter Sun Prince, and took the engineers ashore either by force or persuasion. Later, they were beaten up.

Mill Creek School Students Hold Festival

First of a series of festival programs for schools of the Edmonton Public School system was held Monday at Mill Creek school.

The program, of a non-competitive nature, are arranged annually to display work regularly done in the schools in the fields of music, physical education, drama, choral singing and other activities.

Grade one and two classes from Bennett, King Edward Park, Mill Creek, Ritchie and Butterfield schools participated in yesterday's presentation, as well as a chorus of grades three and four pupils of King Edward Park School. A play was presented by the grade three class of Mill Creek school.

Confounding added effectively to several numbers.

John Sandereck, principal of King Edward Park school was chairman of the program.

Club Committee School Started

Training course in club committee formation and participation opened at the YMCA yesterday and will continue every Tuesday and Thursday for four weeks.

The course is sponsored by the Leadership Committee of the Central Edmonton YMCA. George Stephens is chairman.

Discussion leaders for the course include George Stephens, Bishop of the Council of Social Agencies, Eric Smith and other members of the YMCA, and Harpers Prowse, Alberta Liberal leader.

The course is designed to present theory and fundamentals of good practice in club committees to members of men's clubs.

MP CALLED COWARD

Commons Police Hunt Vicious Letter Writer

OTTAWA, April 6.—(CP)—Jean Francis Pouliot, veteran Liberal member from Temiscouata, placed before the Commons today an anonymous letter calling him a "coward" and a "lizard" and received assurance that, if necessary, the whole parliamentary constituency would be turned out to find the culprit.

Mr. Pouliot, who has been assured his name would be put on the list to find the guilty party.

It was signed, Mr. Pouliot said, with the initials "J.P." In all his parliamentary career of nearly 25 years, he told the chamber, he knew of no case where one member of parliament sent an anonymous letter to another. He did not know who sent it to him. He was on "good terms" with his fellow-members.

Speaker Gaspard Fauteux assured him he would note the remarks and, if necessary, the whole constituency force of the House of Commons will be put on the alert to find the guilty party.

Two New Chalets For Banff School Will Be Open

Two new chalets at Banff will open this summer to accommodate students attending the regular session of the Banff School of Fine Arts.

The chalets, providing a large modern kitchen, dining-room, accommodation for 400 students and sleeping accommodation for 100 students, as well as added classroom space, were erected as a memorial to the late Mr. J. H. Woods of Calgary by Mrs. Woods.

Official opening will take place August 16, and will be attended by members of the board of governors of the University of Alberta, trustees of the Banff Foundation and members of the provincial cabinet.

Plans are being made to organize a school of Forestry and Wild Life Conservation, to be operated in co-operation with Dominion and Provincial governments.

The school, which would operate on a year-round basis, is expected to open during the summer of 1949.
